MILEI Recognized as One of Germany’s Top 100 Employers by Great Place to Work®

MILEI GmbH, a subsidiary of the Morinaga Milk Industry Group based in Germany, has been named one of the “Top 100 Best Workplaces” in Germany by the internationally recognized research and certification organization, Great Place to Work®.

This prestigious ranking evaluates companies across Germany based on factors such as corporate culture, trust, and the ability to foster an environment that encourages innovation. Among more than 1,100 participating companies nationwide, MILEI was selected as one of the top 100, reflecting the company’s strong organizational culture and commitment to employee engagement. The official award ceremony was held on March 19 in Cologne, where MILEI was formally recognized for its achievement.

In addition to being ranked among the top 100 companies, MILEI also received high recognition in several categories:

2nd place: Best Employer in Manufacturing (Category: 50–500 employees)

3rd place: Best Employer in Baden-Württemberg (Category: 251–1,000 employees)

3rd place: Best Employer in the Allgäu region

According to the Great Place to Work® survey, 92% of MILEI employees stated that the company is “a very good place to work.” This outstanding result reflects the company’s continuous efforts to create a positive and inclusive workplace environment, built on mutual trust, respect, and open communication.

At MILEI, employees are encouraged to contribute ideas, collaborate across teams, and grow within a supportive culture—values that are central to the company’s long-term success and sustainable development. This recognition is a testament to the dedication and commitment of each and every employee at MILEI. It also highlights the importance of fostering a workplace where people feel valued, motivated, and empowered to perform at their best.

Morinaga Milk Industry Group is proud of this achievement and will continue to support MILEI and its global operations, striving to create workplaces that inspire employees and deliver sustainable value worldwide.
