Notice of Signing of "Mizuho Eco Finance" Agreement with Mizuho Bank, Ltd.

Morinaga Milk Industry Co., Ltd. (hereinafter "the Company") hereby announces that the Company has entered into a syndicated "Mizuho Eco Finance" commitment line agreement* with Mizuho Bank, Ltd. (hereinafter "Mizuho Bank") as the arranger on August 29, 2025.

* A contract whereby a lender promises to execute a loan upon the Company's request within a predetermined period and credit line.

In addition, the Company has entered into a syndicated "Mizuho Eco Finance" term loan agreement** with Mizuho Bank as the arranger on September 25, 2025.

** A contract whereby a lender agrees to provide funds to the Company under predetermined repayment terms and a fixed loan period.

"Mizuho Eco Finance" is an environmental assessment loan product designed to promote Mizuho Bank's efforts to work with companies toward the transition to a decarbonized society. The loans are provided to companies that score above a certain level using an environmental evaluation model developed by Mizuho Research & Technologies, Ltd. that incorporates globally reliable environmental certifications, evaluations, etc., and scores the company's initiatives and indices.

The contract was signed in recognition of the company's high level of compliance with the indicators used in the evaluation model, including the company has endorsed the Green Transformation League since 2022, its stated goal of achieving zero CO₂ emissions (carbon neutrality) by 2050, and its disclosure of CO₂ emissions per year across the entire supply chain and from major sources.

The Group's sustainability vision is "The Morinaga Milk Industry Group will contribute to a prosperous "everyday life, society, and environment" by delivering "deliciousness and health," and continue to bring brighter smiles for all." Based on this vision, we will contribute to the realization of a sustainable society by promoting sustainability management centered on the three themes of "Food and Well-being," "Resources and the Environment," and "People and Society."
